February 19, 2021

Dear Sir/Madam:

Due to the irregular power outages experienced across certain parts of the U.S. this week and the disruptions to work that were caused, ASA/WISHH has decided to provide a one-week extension for all those submitting proposals for the West Africa Aquaculture Study RFP. All proposals are due March 7, 2021 by 5 PM CST.

Best regards.

A handwritten signature in black ink, appearing to read "Chris Slemp".
