

QUESTIONS AND ANSWERS FOR RFP REQUEST FOR PROPOSAL FOR WEBSITE MAINTANCE

1. Does ASA/WISHH have a contact person to help with meetings and travel plan in Timor Leste?

ASA/WISHH does not have a contact person that can assist with meeting appointments and travel arrangements in Timor Leste.

2. Is starting date fixed or can be negotiated by a few days?

The starting date starts when the contract is awarded, which will be by December 31, 2022.

3. Is there flexibility of the completion date?

The official completion date is January 30, 2023.

4. Is ASA/WISHH expecting for a “Logistics Report” to be a substantial part of the “Timor-Leste market report”?

You need to follow the market assessment template that is part of the RFP document. If logistics are an important part of the market, then they should be included. The market assessment is more than just a logistics report and looks at the entire market.

5. What contacts or names should be included? Those based in or outside of Timor Leste?

Both should be included based to give a complete picture of the market and where decision individuals making might be located.
